YouTXT Alerts & Reminders

Business TXT Reminder Service provided by: CTAS NZ Ltd

YouTXT Service provides you with a friendly and economical way to communicate with your customers. Alerts can be once only or recurring. You can send TXT's to each customer individually, or categorise them into Groups for bulk TXTing.

How does it all work?

Simply go to the Website, enter or upload your TXT Alerts or Reminders. You can schedule them for sending at some time in the future, or send them immediately.

YouTXT Service

Create, schedule and send Alerts and Reminders to keep in touch with customers.

Recommended uses

The YouTXT service offers an ideal solution for Business Use:

- Ensure your customers don't miss appointments.
- Alert customers when they are due for their next appointment.
- Timely and economical method to encourage return business.
- Cost effective, save money on postage and phone calls.
- Fully automated, once details are stored.
- Alerts can be to TXT, Email or both.
- Offer TXT Reply so customers can confirm appointments.
- Schedule the TXT's for some time in the future.
- Send adhoc TXT's to get quick messages to your customers during the day.
- Upload, or enter Alerts into the system from anywhere (with Internet access).
- Alerts can be once only, or set to automatically recur, eg every 6 months or each year.
- Categorise your customers into Groups if you want to send bulk TXT's.
